Remember it is **NOT** cool to create an account without parental permission if you under 13 years of age (ask Mrs. Roche about a little thing called FERPA sometime). We have parental permission from a form parents signed on myDSD, so this is okay.

Follow Mrs. Roche's instructions and examples in class.

- 1) Go to [Scratch](#)
- 2) Create a username using YOUR school username (example: 22nroche) and school password.
- 3) Fill in your birth month, the birth year, gender, and country.
- 4) Put in **YOUR EMAIL** for the parent/guardian email.
- 5) Confirm you have successfully created an account.

For Computers: 6) Once in Scratch, open a NEW TAB . 7) Go to OFFICE 365	For iPads: 5) While in Scratch, take a screenshot using the
