1. **Welcome.** Debora Baird, as Chair, opened the meeting at 5:03 pm. The meeting was held via Zoom.
2. **Approval of February minutes.** Ms. Baird asked for comments on the February minutes, having distributed them previously for review. There were no comments. Mr. Jake Pruett moved to approve the minutes, Ms. Brittany Bateman seconded, and the motion was approved unanimously.
3. **Current accounting report.** 2020-21 expenditures are progressing as needed and expected. MVE’s Land Trust funding for 2021-22 will be down, based on the school’s lower enrollment as of October (the as-of date for counting students for Land Trust allocations). The previously approved budget for 2021-22 will now be \$11,042 over budget as approved in February 2021.

The school received 20 tripods and Microsoft cameras through CARES Act funding, so planned ’21-’22 funding for classroom cameras is reduced. The requirement for teacher ipads has also been

reduced. In addition, other funding sources will be sought for some instructional technology requirements. Overall, an updated 2021-22 budget was approved with \$392.25 unencumbered, a smaller amount than is usually desired. Mr. Grady Tibboel moved to approve the budget, Mr. Pruett seconded, and the council approved unanimously.

4. Review of 2021-22 Land Trust Plan.

Council review of the Land Trust Plan is pending entry of the plan into the State's online system, through which individuals' approval will occur.

5. Update on hybrid learning schedule.

There was a brief discussion of the use of information technology – especially in-class cameras – to support students learning from home.

6. Known items for next meeting.

Review of the school's [Safe Routes Utah plan](#). This plan replaces the Student Neighborhood Access Program (SNAP) plan from prior years.

7. Adjournment. Ms. Bateman moved to adjourn. Mr. Pruett seconded. The Chair adjourned at 5:42 pm.
